P. R. Mallory is one of our main customers for capacitor Aroclor. As they have adequate assets and as their Board of Directors are meeting on Tuesday, January 25, their representatives have been requested to meet with Monsanto to get better understanding of the risks and exposure to Mallory regarding the PCB matter.

In essence they seek to meet with our committee to discuss this subject.

We have agreed on Wednesday, January 19 at 9:30 a.m. Room C303.

The Mallory representatives will be:

Mr. Harry Nieders, Mkt. Mgr. Capacitors  
Mr. Rich Childress, Corporate Attorney  
Dr. D. J. Wilson, Vice President, Corporate Res. & Eng.  
Mallory's Insurance Representative  
Mr. Pat Booe, Consultant

Mallory will come prepared with their insurance policies, financial statements and other documents.
